What can energy efficiency do for you?

An energy efficient home is usually more comfortable, saves money on monthly energy bills and helps the environment.

The ActOnEnergy® efficiency programs help Ameren Illinois customers take advantage of discounts, rebates and financial incentives so they can enjoy a more energy-efficient lifestyle.

ActOnEnergy®

Ameren Illinois

- Residential Energy Efficiency programs designed to assist Ameren Illinois residential customers in reducing their energy usage.
- Energy savings is measured in kilowatt hours (kWhs) of electricity and therms of natural gas.

Ameren Illinois delivers energy to 1.2 million electric and 813,000 natural gas customers in downstate Illinois, and our mission is to meet their energy needs in a safe, reliable, efficient and environmentally responsible manner. Our service area covers more than 1,200 communities and 43,700 square miles.

Ameren Illinois Territory, also known as “Downstate Illinois”

ActOnEnergy®

Energy Efficient Lighting

Use 75% less energy every time you switch on a light!

Home Energy Audits

Meet Your Home Performance Advisor

When your walls talk—the HP Advisor listens. The ActOnEnergy Home Efficiency Audit is the first step toward a more comfortable, cost-efficient home.

For only \$50, Ameren Illinois customers can get a basement-to-attic inspection of their home's efficiency factors.

Go to: [ActOnEnergy.com/HEP](https://www.actonenergy.com/HEP)

for more details.

Home Energy Improvements

Air Sealing and insulating the "envelope" or "shell" of your home — its outer walls, ceiling, windows, doors, and floors — is often the most cost-effective way to improve efficiency and comfort.

Gas & Electric Customers:

Eligible measures include:

Air / Duct Sealing: Up to \$1000

Attic Insulation: Up to \$800

Wall Insulation: Up to \$1,200

Crawl Space Wall Insulation: Up to \$800

Rim Joist Insulation: Up to \$400

Building an Efficient Home

Build energy efficiency into your dream home!

The ENERGY STAR® New Home program assists homeowners and builders by providing:

- ✓ Construction and equipment recommendations prior to building
- ✓ Financial incentives for builders
- ✓ A post-construction energy efficiency inspection to ensure ENERGY STAR standards have been met

Find a registered program ally Builder or HERS Rater at [ActOnEnergy.com/builder](https://www.actonenergy.com/builder) or tell your builder about the program.

ActOnEnergy®

Multifamily Efficiency Upgrades

ActOnEnergy enables multifamily property owners to make critical energy-efficiency improvements that will lower energy usage and save on maintenance costs.

- ✓ Incentives on common area lighting
- ✓ FREE products for each unit:
 - Programmable thermostats
 - High efficiency shower heads
 - Compact fluorescent lights (CFLs)
 - Faucet aerators

Who qualifies?

1. Owners/managers of multifamily properties with three or more units.
2. Units must be customers of Ameren Illinois.

Learn more about the program at: [ActOnEnergy.com/multifamily](https://www.actonenergy.com/multifamily)
