PIERCE LANE RECONSTRUCTION PROJECT—PHASE 5

PRELIMINARY ENGINEERING, LAND ACQUISITION, AND CONSTRUCTION ENGINEERING SERVICES VILLAGE OF GODFREY, IL

The Village of Godfrey seeks the services of a highly qualified consulting firm to perform preliminary engineering, land acquisition, and construction engineering services for Phase 5 of the Pierce Lane Reconstruction Project. This Request for Qualifications (RFQ) is intended to comply with the Federal and State requirements of 23 CFR 172 and the Brooks Act.

The Village has been successful with a Surface Transportation Program grant application to reconstruct the next phase of Pierce Lane north from Stamper Lane approximately 850 feet.

The evaluation criteria and weighting for this project is as follows: Technical approach - 30%, Firm experience - 30%, Past performance - 25%, and Work load capacity - 15%.

Consultants should request a packet from the Village Clerk's Office at clerk@godfreyil.org. The packet contains a detailed description of the project and specific requirements for the format and content of their submission.

Submissions are due June 28, 2019 at 11:00 AM at the Village Clerk's Office, Village Hall, 6810 Godfrey Rd Godfrey, IL 62035. All submissions shall include a disclosure form and no interviews will be conducted.
