

2020CENSUS.GOV is a 508-compliant website accessible to people with blindness or low vision, deafness or hearing loss, learning disabilities, cognitive limitations, limited movement, photosensitivity, and various combinations of these.

From May – July 2020, census takers will visit households that have not yet responded. A census taker can assist if you need help completing your form.

Responding helps influence funding for your community.

The 2020 Census will influence community funding and congressional representation for the next decade. Information collected in the census will inform the allocation of more than \$675 billion in federal funds for states and communities each year. That includes money for things like:

- › Public transportation
- › Libraries
- › Education programs
- › Supplemental Nutrition Assistance Program (SNAP)
- › Medicare and Medicaid
- › Temporary Assistance for Needy Families

Responding is safe.

Your personal information is kept confidential by law. Your responses can only be used to produce statistics. They cannot be used for law enforcement purposes or to determine your personal eligibility for government benefits.
